

Fukuoka Prefecture of Tochiku High School

Welcome to Sakamoto Maths

歡迎

福岡県立東筑高等学校
2年生御一行様

A group of 46 students from Japan visited our centre on 8 November 2016. It's a part of their program of their school trip. What is the Sakamoto Maths Method? How did Sakamoto expand in Southeast Asia for the past 20 years? We shared precious time with young boys & girls to think about their bright future.
